LODGING. BY ALLISON POLSTER

The Baker House 1650

The Baker House 1650 relies on what c-owner Antonella Bertello-Rosen calls “casual and relaxed luxury.” Amenities include a spa, three pools, Frette bedding, in-room fireplaces, and “out-of-this-world gardens and grounds, including the 200-plus-year-old wisteria and some of the oldest trees in East Hampton,” explains Bertello-Rosen.
